

WEEKLY UPDATE

April 9, 2021

Dear Residents and Families/Representatives:

Please accept this letter as Northampton Manor's weekly update to keep you informed about the status of COVID in our facility and what we are doing to keep our residents and staff safe during the ongoing coronavirus pandemic.

Since our last update the Frederick County Health Department has closed our outbreak. We have had no new staff members or residents test positive for Covid 19 for over 2 weeks.

This week, on 4/5 through 4/8, we tested 119 staff members for COVID-19 with all 119 tests being negative.

We will continue weekly testing of staff and residents per MDH guidance and CMS recommendation and will continue to test residents only if they are displaying any signs or symptoms of Covid-19. Per the updated Maryland Department of Health Orders, we are currently reviewing our policies and procedures and will proceed with modified visitation. We will continue with scheduled outdoor visits and indoor visits for compassionate care situations.

As of today, April 9 our cumulative total for positive COVID-19 cases is 85 residents and 49 staff members.

We also continue to implement and practice enhanced safety precautions recommended by our federal, state and local health officials, such as, only allowing essential personnel inside the facility, performing regular screenings for signs and symptoms of illness prior to entering the building, continually monitoring residents, performing regular deep cleanings, using PPE as recommended by the CDC, providing individual activities as opposed to group activities, implementing isolation protocols as required and reminding and encouraging staff to practice social distancing, use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website for updates. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 301-662-8700.

Sincerely,

Mark Heim

WEEKLY UPDATE

April 14, 2021

Dear Residents and Families/Representatives:

Please accept this letter as Northampton Manor's weekly update to keep you informed about the status of COVID in our facility and what we are doing to keep our residents and staff safe during the ongoing coronavirus pandemic.

Since our last update the Frederick County Health Department has closed our outbreak. We have had no new staff members or residents test positive for Covid 19 since March 16, 2021.

This week, on 4/12 through 4/14, we tested 105 staff members for COVID-19 with all 105 tests being negative.

We will continue weekly testing of staff and residents per MDH guidance and CMS recommendation and will continue to test residents only if they are displaying any signs or symptoms of Covid-19. Per the updated Maryland Department of Health Orders, we are currently reviewing our policies and procedures and will proceed with modified visitation. We will continue with scheduled outdoor visits and indoor visits for compassionate care situations.

As of today, April 14 our cumulative total for positive COVID-19 cases is 85 residents and 49 staff members.

We also continue to implement and practice enhanced safety precautions recommended by our federal, state and local health officials, such as, only allowing essential personnel inside the facility, performing regular screenings for signs and symptoms of illness prior to entering the building, continually monitoring residents, performing regular deep cleanings, using PPE as recommended by the CDC, providing individual activities as opposed to group activities, implementing isolation protocols as required and reminding and encouraging staff to practice social distancing, use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website for updates. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 301-662-8700.

Sincerely,

Mark Heim

WEEKLY UPDATE

April 21, 2021

Dear Residents and Families/Representatives:

Please accept this letter as Northampton Manor's weekly update to keep you informed about the status of COVID in our facility and what we are doing to keep our residents and staff safe during the ongoing coronavirus pandemic.

Since our last update we have had no new staff members or residents test positive for Covid 19. The last positive staff member was on March 16, 2021. This week, on 4/19 through 4/21, we tested 108 staff members for COVID-19 with all 108 tests being negative. As such, our cumulative totals remain unchanged from our previous update.

We will continue weekly testing of staff per MDH guidance and CMS recommendation. We will continue to test residents only if they are displaying any signs or symptoms of Covid-19. All new admissions are also tested and are assigned to a room on the observation unit for 14 days per CMS and CDC recommendations. We are also continuing with scheduled outdoor visits and indoor visits for compassionate care situations.

We also continue to implement and practice enhanced safety precautions recommended by our federal, state and local health officials, such as, only allowing essential personnel inside the facility, performing regular screenings for signs and symptoms of illness prior to entering the building, continually monitoring residents, performing regular deep cleanings, using PPE as recommended by the CDC, providing individual activities as opposed to group activities, implementing isolation protocols as required and reminding and encouraging staff to practice social distancing, use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website for updates. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 301-662-8700.

Sincerely,

Mark Heim

WEEKLY UPDATE

April 28, 2021

Dear Residents and Families/Representatives:

Please accept this letter as Northampton Manor's weekly update to keep you informed about the status of COVID in our facility and what we are doing to keep our residents and staff safe during the ongoing coronavirus pandemic.

Since our last update we have had no new staff members or residents test positive for Covid 19. The last positive staff member was on March 16, 2021.

This week, on 4/26 through 4/28, we tested 106 staff members for COVID-19 with all 106 tests being negative.

We will continue weekly testing of staff per MDH guidance and CMS recommendation. We will continue to test residents only if they are displaying any signs or symptoms of Covid-19. All new admissions are also tested and are assigned to a room on the observation unit for 14 days per CMS and CDC recommendations. We are also continuing with scheduled outdoor visits and indoor visits for compassionate care situations.

We also continue to implement and practice enhanced safety precautions recommended by our federal, state and local health officials, such as, only allowing essential personnel inside the facility, performing regular screenings for signs and symptoms of illness prior to entering the building, continually monitoring residents, performing regular deep cleanings, using PPE as recommended by the CDC, providing individual activities as opposed to group activities, implementing isolation protocols as required and reminding and encouraging staff to practice social distancing, use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website for updates. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 301-662-8700.

Sincerely,

Mark Heim
